

February 21, 1931.

Mr. Clyde P. Ross, Geologist,
U. S. Geological Survey,
Washington, D. C.

My dear Mr. Ross:

I thank you for your letter of February 14 with your definition of the North Fork Range and also your views regarding the adoption of a name for the mountain range which extends from Galena Pass to the vicinity of the Craters of the Moon, Idaho.

I am forwarding a copy of your letter to the Forest Service and will inform you of its views.

Thanking you for your cooperation,

Very truly yours,

John J. Cameron,
Secretary.
